Acceptance Of Reports From The Board Audit Committee Chair

Pursuant to Board Policy BDB(LOCAL), *Board Internal Organization: Board Committees*, and the *Audit Committee* Charter, the Houston Independent School District (HISD) Board Audit Committee chair presents to the board a report on the work and progress of the committee as well as the committee's annual report summarizing its activities and recommendations to the Board.

Copies of the chair's reports are attached. Reports on specific audits have been presented to board members separately and will be published after review by board members and HISD Legal Services.

Audit Committee Report

August 25, 2026

At the August 25, 2026, Audit Committee meeting Chairperson Janette Garza Lindner and committee member Paula Mendoza were present. Non-voting citizen member Elizabeth Logan joined remotely. The committee met from 10:00 a.m. until 11:28 a.m. and approved the minutes of the June 2, 2026, Audit Committee meeting.

- Members of the district's external audit firm, Weaver, provided an overview of the annual financial audit. Representatives stated that Weaver began its interim fieldwork in July, with final fieldwork to get underway in September. They expect to provide their audit opinions in November. Weaver is testing the district's compliance with certain provisions of laws, regulations, contracts, and grant agreements. It is performing single audits of federal awards including child nutrition, the Child and Adult Care Food Program, and magnet schools assistance, as well as state grants including the Texas Home Visit Program.
- The administration provided an overview of the process in selecting the district's outsourced internal audit firm for 2027, Protiviti. Committee Chairperson Garza Lindner asked why RSM, the current outsourced internal audit firm, did not meet the selection criteria. Jim Terry, chief finance and operations officer (CFOO), stated there were three reasons: 1) RSM had completed its initial three-year term so the district decided to open the contract for bids; 2) audit technologies have advanced in recent years and the district wanted to see which firms have the most robust capabilities; and 3) RSM's method focused on testing controls, and the district felt audits should also test operational effectiveness, including efficiency and cost.
- Representatives of Protiviti introduced themselves to the Audit Committee and discussed the proposed internal audit plan for the 2026–2027 school year. Ms. Garza Lindner asked whether a post-implementation review is planned for Oracle, the district's new database management system. CFOO Terry responded that since Oracle will not be fully implemented until January 2027, the district feels it would be more appropriate to audit the system in the next fiscal year, 2028. Ms. Garza Lindner asked if Protiviti has a proposed timeline for its audit

work. A Protiviti representative said two audits would likely be underway this semester. CFOO Terry responded that a timeline should be available before the Audit Committee's next meeting, tentatively set for late October. Ms. Garza Lindner asked if Protiviti has worked with other school districts; representatives responded yes as well as with higher education institutions. Committee member Paula Mendoza asked if Protiviti works with any small business partners in Houston; company representatives responded yes, to include minority and disadvantaged business enterprises. Ms. Mendoza also asked that Protiviti alert the committee if the company sees any emerging risks that should be addressed but are not on the audit plan. Community volunteer Elizabeth Logan also stated that request, to educate the committee on possible problem areas. Ms. Logan also noted that Information Technology (IT) is not on the audit list, although it's generally considered high-risk, and asked that Protiviti look for IT risks in each process area being audited.

- The committee held a confidential discussion of RSM's final internal audit reports on Cybersecurity Governance and Policy Assessment, and the Incident Response Tabletop Exercise.
- Teresa Corrigan, senior executive director of Ethics and Compliance, stated that she will prepare the Audit Committee annual report to the board summarizing the Audit Committee's work in fiscal year 2026.
- The minutes of the August 25, 2026, Audit Committee meeting will be reviewed for approval by the committee at its next meeting. Once approved, the minutes will be posted under Board & Governance/Board Audit Committee at <https://www.houstonisd.org/board-governance/board-audit-committee>.

Report Of Legal Framework Changes From Texas Association Of School Boards Update 127

The purpose of this agenda item is to provide an overview of changes made to legal framework documents in the Houston Independent School District (HISD) *Policy Online*.

The legal framework documents are not approved by the board; they are developed and provided by the Texas Association of School Boards (TASB) based on the United States and Texas Constitutions, federal and state statutes, case law, and attorney general opinions.

TASB updates legal framework documents as needed but sometimes changes in law take effect before a policy update can be completed. In such cases, current law supersedes policy.

The most recent changes from TASB are in Update 127 and involve 50 legal framework documents. All of these updates have been published in *Policy Online*.

Acceptance Of Board Monitoring Update: Presentation Of Goals 3 And 4 Progress Measures 3.1, 3.2, 3.3, 3.4, 3.5, 4.1, And 4.2

The Houston Independent School District (HISD) exists to strengthen the social and economic foundation of Houston by assuring its youth the highest-quality elementary and secondary education available anywhere.

In accordance with the Texas Education Agency (TEA) Lone Star Governance continuous improvement model and the Framework for School Board Development, the HISD School Board monitors progress towards the district's goals and compliance with certain goals and constraints.

Attached to this update is a presentation regarding goals and progress measures (GPMs). The following measures have new data this month:

Goal 3: The percentage of students graduating Texas Success Initiative (TSI)-ready and with an industry-based certification (IBC) will increase from 11 percent for the 2021-2022 graduates to 26 percent for the 2026-2027 graduates.

GPM 3.1: The percentage of grade 11 students meeting TSI criteria on the SAT, ACT, or TSI Assessment (TSIA) in both math and reading will increase from 15 percent in May 2023 to 30 percent in May 2028.

GPM 3.2: The percentage of grade 10, 11, and 12 students who are on track to achieve career and technical education (CTE) completer status by graduation will increase from 41 percent in September 2025 to 53 percent in May 2028.

GPM 3.3: The percentage of grade 11 students who qualify for college credit will increase from 33 percent in May 2023 to 48 percent in May 2028.

GPM 3.4: The percentage of students in grades 4 through 8 who are meeting or exceeding expected growth on NWEA Measures of Academic Progress (MAP) in reading will reach 55 percent by May 2026.

GPM 3.5: The percentage of students in grades 4 through 8 who are meeting or exceeding expected growth on NWEA MAP in math will reach 55 percent by May 2026.

Goal 4: Students in grades 4 through 8 who receive special education services that achieve growth as measured by Domain 2 Part A of the state accountability system will increase from 63 percent in August 2023 to 78 percent in August 2028.

GPM 4.1: The percentage of students in grades 4 through 8 with disabilities have Met Expected Growth from beginning-of-year (BOY) to end-of-year (EOY) on NWEA MAP in reading will increase from 48 percent in June 2024 to 55 percent in June 2028.

GPM 4.2: The percentage of students in grades 4 through 8 with disabilities that have Met Expected Growth from BOY to EOY on NWEA MAP in math will increase from 46 percent in June 2024 to 58 percent in June 2028.

GPM 3.1: The percent of 11th graders meeting TSI criteria on SAT, ACT, or TSIA in both math and reading will increase from 15% in May 2023 to 30% in May 2028.

TSI

- Texas Success Initiative
- Requires students to meet criteria in BOTH reading & math

Assessments

- Students can mix-and-match assessment types
- Includes SAT, ACT, and TSIA

Excludes

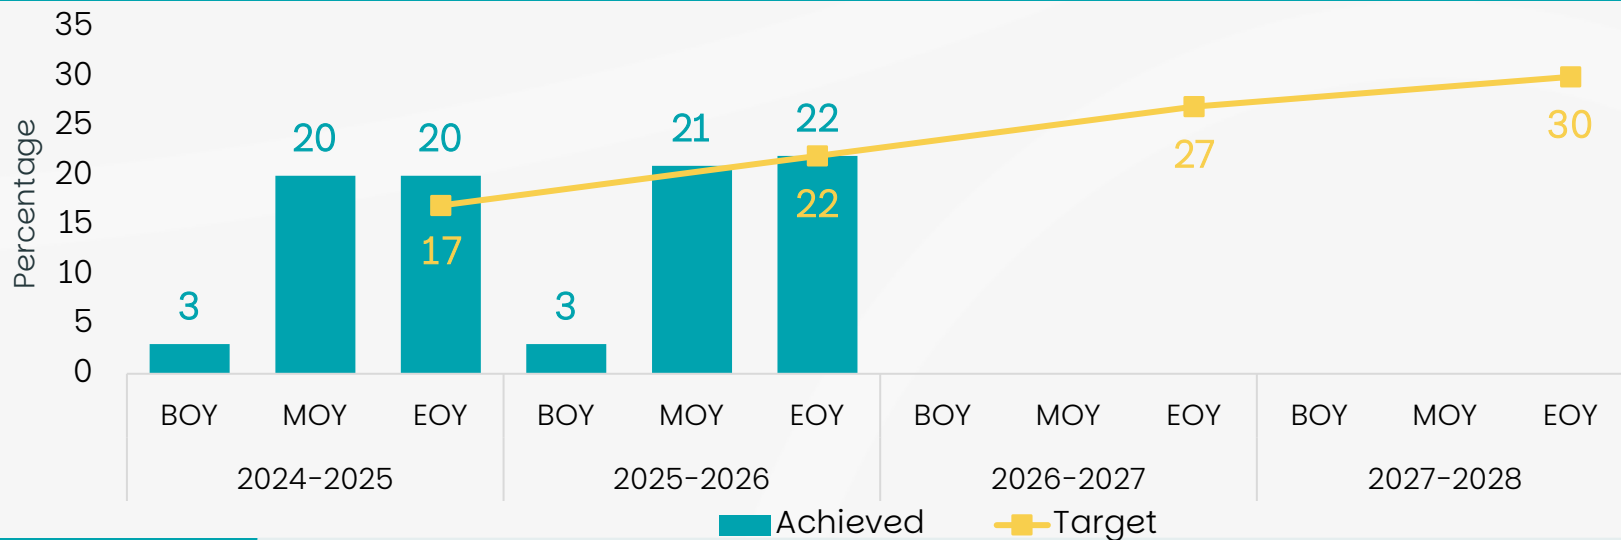

- Excludes results from college prep courses, including TX College Bridge
- Excludes any results earned prior to 9th grade

GPM 3.1: The percent of 11th graders meeting TSI criteria on SAT, ACT, or TSIA in both math and reading will increase from 15% in May 2023 to 30% in May 2028.

Status

MET

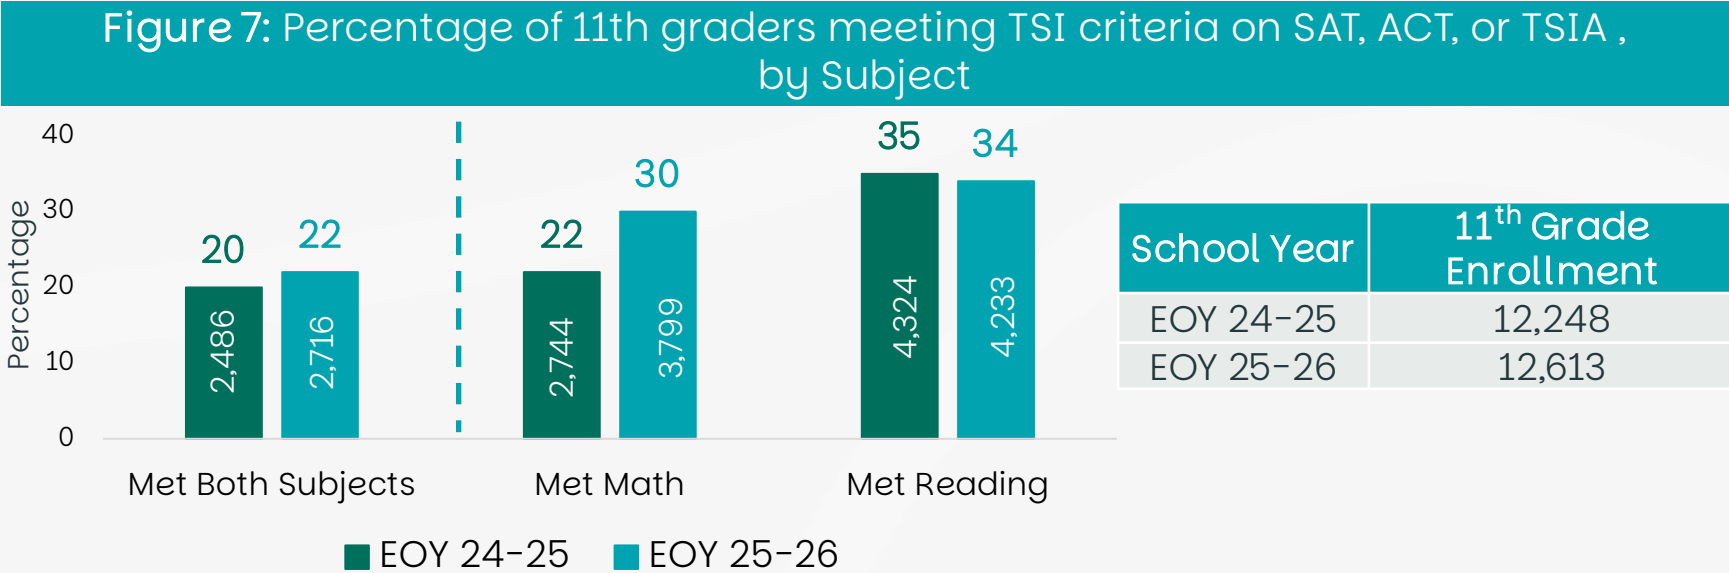

Figure 4: Percentage of 11th graders meeting TSI criteria on SAT, ACT, or TSIA in both Math and Reading

Figure 10: Percentage of 11th graders meeting TSI criteria on SAT, ACT, or TSIA in both Math and Reading, by School Type

Key Takeaway

11th graders attending an NES school increased TSI readiness by 50% year over year.

GPM 3.2: The percentage of grade 10, 11, and 12 students who are on track to achieve career and technical education (CTE) completer status by graduation will increase from 41 percent in September 2025 to 53 percent in May 2028.

Definition

CTE Status reflects completion of a series of CTE course credits in a single program of study (ie: Entrepreneurship)

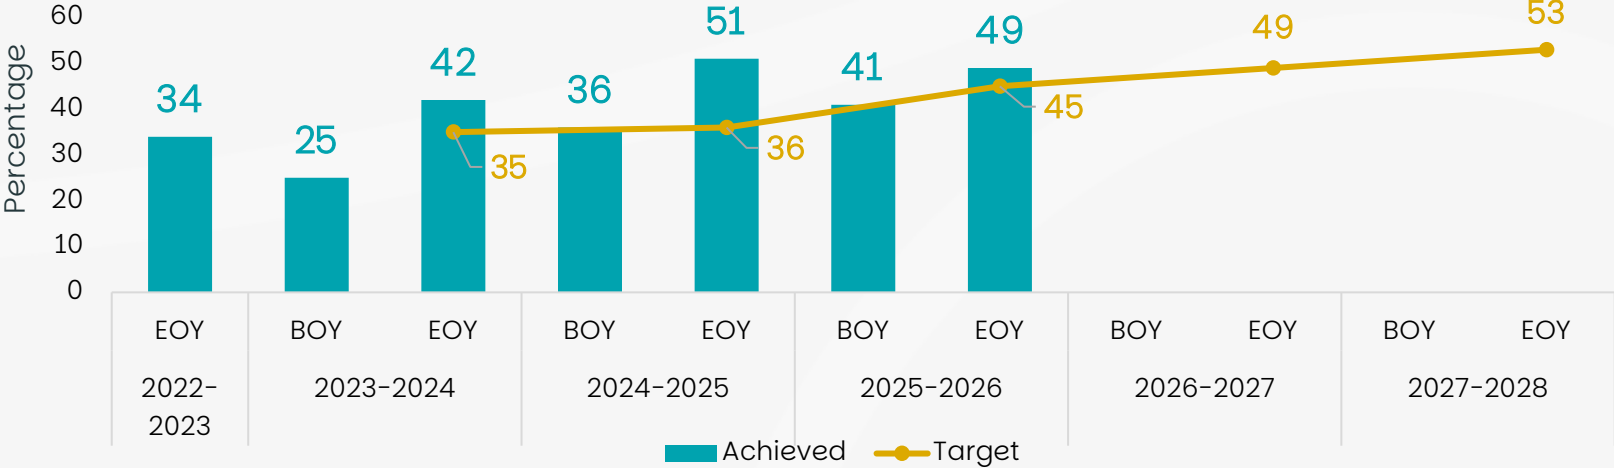

On-Track Status	10 th & 11 th graders	12 th graders
Class of 2025 & Earlier	2 credits in an aligned POS	4 credits in an aligned POS (including a Level 3 or 4 course)
Class of 2026 to 2029	2 credits in an aligned POS	4 credits in an aligned POS (including a Level 3 or 4 course) + aligned IBC

GPM 3.2: The percentage of grade 10, 11, and 12 students who are on track to achieve career and technical education (CTE) completer status by graduation will increase from 41 percent in September 2025 to 53 percent in May 2028.

Status

MET

Figure 11: Percentage of 10th, 11th, and 12th Graders On-Track to CTE Completer Status by Graduation

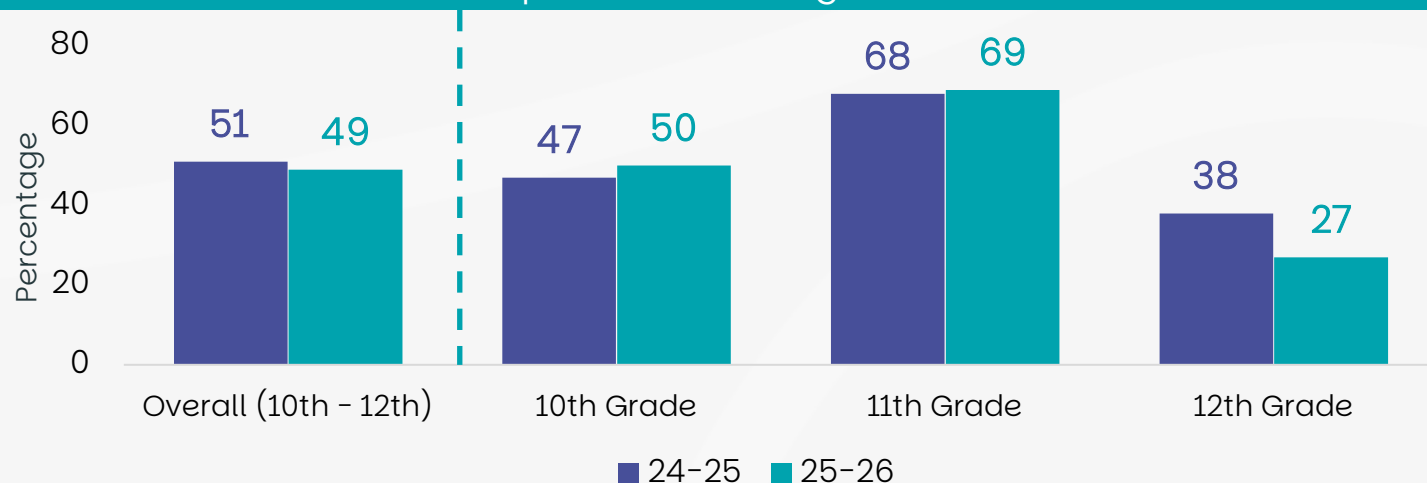

Key Takeaway

The district met the 2025-26 annual target, with 49% of 10th to 12th grade students achieving, or being on track to achieve, Completer status in their CTE program of study.

GPM 3.2: The percentage of grade 10, 11, and 12 students who are on track to achieve career and technical education (CTE) completer status by graduation will increase from 41 percent in September 2025 to 53 percent in May 2028.

Key Takeaway

The district met the SY25-26 annual target, with 10th and 11th grade students showing an increase in Concentrator and Completer status compared to the previous year.

GPM 3.2: The percentage of grade 10, 11, and 12 students who are on track to achieve career and technical education (CTE) completer status by graduation will increase from 41 percent in September 2025 to 53 percent in May 2028.

Figure 13: Percentage of 10th, 11th, and 12th Graders On-Track to CTE Completer Status by Graduation by Program & Race/Ethnicity

Key Takeaway

Due to a change in the definition of a completer, students in 2025-26 achieved on-track status at slightly lower rates year over year.

GPM 3.3: The percent of 11th graders who qualify for college credit will increase from 33% in May 2023 to 48% in May 2028.

College Credit

- Captures students who earned college credit in 9th, 10th, or 11th grades
- Students are included regardless of the number of credits earned

Through Exam

- AP requires passing score of 3+ on exam
- IB requires passing score of 4+ on exam

Through Course

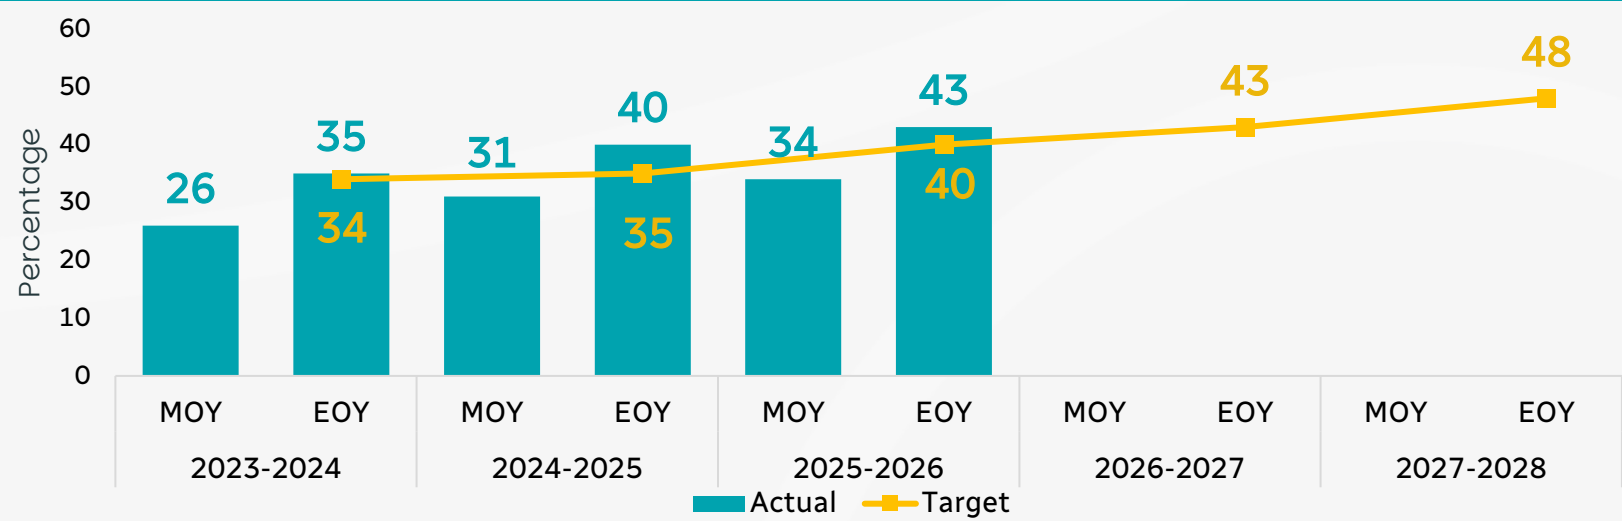

- Passing course grade from HCC (Dual Credit)
- Passing course grade from UT OnRamps (Dual Enrollment)

GPM 3.3: The percent of 11th graders who qualify for college credit will increase from 33% in May 2023 to 48% in May 2028.

The percentage of 11th grade students at NES campuses earning college credit increased by 38% year over year.

GOAL 3 & GPM 3.1, 3.2, 3.3: Strategy & Next Steps

Status

MET

GPM 3.1 TSI

- Providing curricular resources aligned to TSI Math in Algebra 1, Algebra 2, Geometry, Algebraic Reasoning, and College Prep Math
- Providing curricular resources aligned to TSI English in English 2, English 3, and English 4
- Strengthening digital resources for TSI and SAT preparation
- Strengthening TSI and SAT boot camps and aligning them to test windows

GPM 3.2 CTE

- Providing curricular resources to support IBC attainment in all courses
- Providing support for IBC re-testers

GPM 3.3 College Credit

- Expanding access to dual credit via Associates for All pathway
- Providing curricular resources to support AP and IB attainment
- Strengthening support for dual credit courses via professional learning and curricular resources

GPM 3.4: 4th – 8th Grade Reading

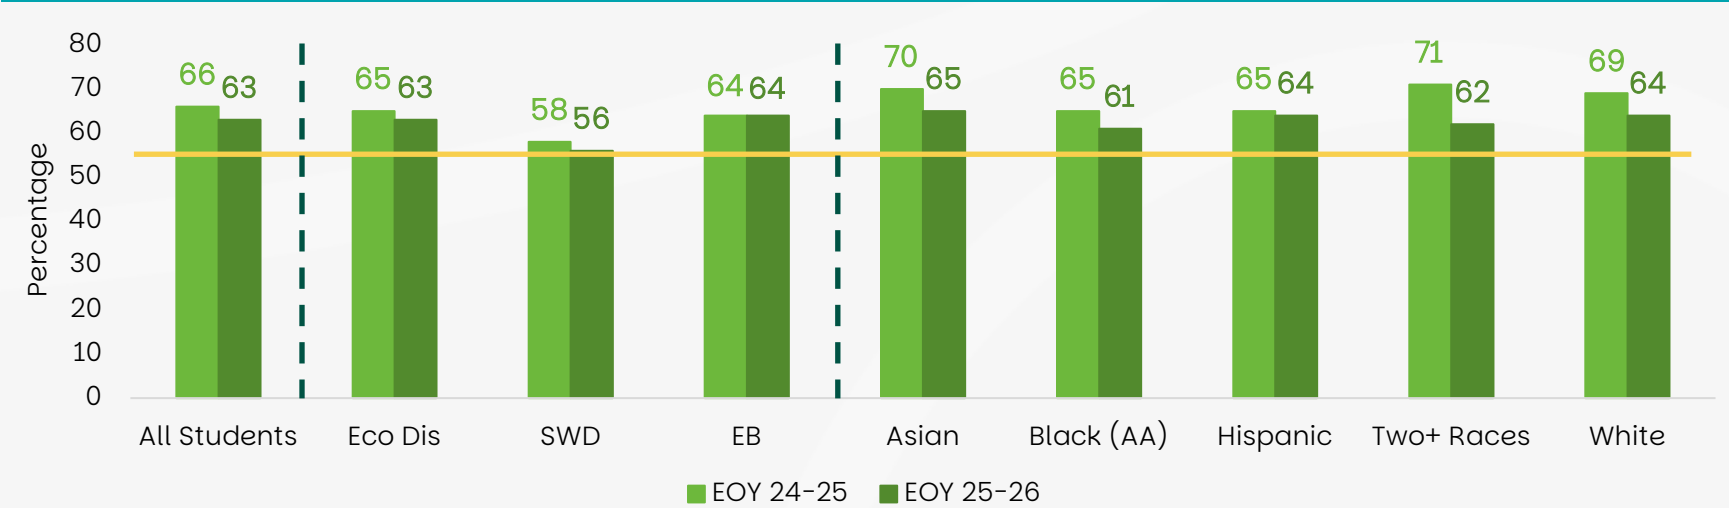

The percentage of students in grades 4 through 8 who are meeting or exceeding expected growth in reading on NWEA MAP will reach 55% by May 2026.

Acceptance Of Board Monitoring Update: Presentation Of Constraints 1 And 2, And
Constraint Progress Measures 2.1 And 2.2

The Houston Independent School District (HISD) exists to strengthen the social and economic foundation of Houston by assuring its youth the highest-quality elementary and secondary education available anywhere.

In accordance with the Texas Education Agency (TEA) Lone Star Governance continuous improvement model and the Framework for School Board Development, the HISD School Board monitors progress towards the district's goals and compliance with certain goals and constraints.

Attached to this update is a presentation regarding constraint progress measures (CPMs). The following measures have new data this month.

Constraint 1: The Superintendent shall not allow the number of multi-year D or F campuses with a prior unacceptable rating to grow or maintain the same.

Constraint 2: The Superintendent shall not allow ineffective supports, systems, and processes for students receiving special education services across the district to negatively impact Individual Education Plan (IEP) development and implementation.

CPM 2.1: The district will increase the percentage of initial eligibility Admission, Review, and Dismissal (ARD) committee meetings conducted in compliance with federally required timelines from 87 percent in June 2023 to 100 percent in June 2024 and maintain 100-percent compliance through June 2028.

CPM 2.2: The percentage of IEPs reviewed by an independent team from the Special Education Department for compliance and delivery of services will increase from 7 percent in January 2024 to 20 percent in June 2028.

2026 Constraint Monitoring Report:

Annual Investment Report

The Public Funds Investment Act (PFIA), Government Code Chapter 2256, requires board-designated investment officers to prepare and submit to the School Board, not less than quarterly, a written report of investment transactions for all funds covered by the PFIA for the preceding reporting period.

Houston Independent School District (HISD) investments are further governed by the board-approved *Cash Management and Investment Policy*. All investments purchased meet the three basic tenets included in policy: investment safety, investment liquidity, and investment yield. All investments are held to maturity. HISD does not invest on a speculative basis.

The attached investment report for the fiscal year ended June 30, 2026, meets the reporting requirements of the PFIA, Section 2256.023 - Internal Management Reports. The report has been reviewed and signed by the district's investment officers (chief financial officer, treasurer, and assistant treasurer) who are responsible for all cash management and investment functions.

Appeal

After a decision to place a student in a disciplinary alternative education program (DAEP) has been made in accordance with FOC(LEGAL) and the *Student Code of Conduct (SCOC)*, a parent or person standing in parental relation to a student may appeal the decision in accordance with the SCOC.

Days

Unless otherwise provided, days shall mean District business days.

In calculating timelines under this policy, the day an appeal is received is day zero. The following District business day is day one.

Appeal Request

A written appeal shall be submitted to the director of the Student Discipline department using the District-approved appeal form. The appeal form will be provided to the parent or person standing in parental relation to the student when the decision to place in a DAEP is made.

The appeal must be received by the director of the Student Discipline department no later than five District business days following the DAEP placement conference.

The appeal shall identify any additional information the parent or guardian requests the director to consider.

If an appeal is not timely received, the director or designee may dismiss the appeal.

Appeal Conference

The director of the Student Discipline department or designee shall schedule a conference no later than three District business days after receipt of a timely appeal.

The District shall make reasonable attempts to schedule the conference at a mutually agreeable time.

If the parent or guardian fails to appear at a scheduled conference, the director or designee may conduct the conference and issue a written decision in the parent or guardian's absence.

Review

In reaching a decision, the director or designee may consider information presented during the DAEP placement conference, information presented during the appeal, the Houston Independent School District (HISD) SCOC, applicable law, District procedures, and any other relevant information.

Decision

The director or designee shall provide the parent or guardian with a written decision no later than two District business days following the conference.

The written decision shall set forth the basis of the decision.

The director or designee may uphold, modify, or overturn the placement decision.

After a decision to expel a student has been made in accordance with FOD(LEGAL), appeals may be filed. A parent or person standing in parental relation to a student may appeal an expulsion decision in accordance with this policy.

Days

Unless otherwise provided, days shall mean District business days.

In calculating timelines under this policy, the day an appeal is received is day zero. The following District business day is day one.

Appeal Request

A written appeal shall be submitted to the designated District official using the District-approved appeal form. The appeal form will be provided to the parent or person standing in parental relation to the student when the decision to expel is made.

The appeal must be received no later than five District business days following the date of the written expulsion order.

The appeal shall identify any additional information the parent or guardian requests the designated District official to consider.

If an appeal is not timely received, the designated District official may dismiss the appeal.

Appeal Conference

The designated District official shall schedule an appeal conference no later than three District business days after receipt of a timely appeal.

The District shall make reasonable attempts to schedule the appeal conference at a mutually agreeable time.

If the parent or guardian fails to appear at a scheduled conference, the designated District official may conduct the appeal conference and issue a written decision in the parent or guardian's absence.

Review

In reaching a decision, the designated District official may consider the record of the expulsion hearing, information presented during the appeal, the Houston Independent School District (HISD) *Student Code of Conduct (SCOC)*, applicable law, District procedures, and any other relevant information.

Decision

The designated District official shall provide the parent or guardian with a written decision no later than two District business days following the appeal conference.

The written decision shall set forth the basis of the decision.

The designated District official may:

- Uphold the expulsion;
- Modify the expulsion; or

- Overturn the expulsion.

Appeal to the Board

A parent or person standing in parental relation may appeal the decision of the designated District official to the Board.

The appeal must be received no later than five District business days following the date of the written decision.

The appeal shall be submitted using the District-approved appeal form. The appeal form will be provided to the parent or person standing in parental relation to the student when the decision to expel is upheld or modified.

Board Review

The designated District official shall prepare the administrative record and transmit the appeal for placement on a Board hearings meeting agenda in accordance with District governance procedures.

The Board may consider the administrative record and any additional information it determines appropriate under applicable law and Board policy.

Board Decision

The Board may uphold, modify, or overturn the expulsion.

The Board shall issue its decision following consideration of the appeal at the meeting during which the appeal is heard or as otherwise provided by Board procedures.

The decision of the Board is final.

Expulsion Status During an Appeal

The student's expulsion shall remain in effect pending the final disposition of the appeal unless otherwise required by law or directed by the Board.

General Provisions

The process described in this policy shall not be construed to create new or additional rights beyond those granted by law, Board policy, or the HISD SCOC.

Consideration And Approval Of New Goal And Goal Progress Measure Targets

The Houston Independent School District (HISD) School Board is asked to consider and approve revisions to goal progress measure (GPM) targets where temporary targets were approved in November 2025 because of an update to the NWEA Measures of Academic Progress (MAP) test. The proposed revisions impact progress measures 1.1, 1.2, 1.3, 2.1, 2.2, 2.3, 3.4, 3.5, and 4.3.

These updates align with the latest NWEA MAP Linking Study which reflects revised projections between MAP growth data and State of Texas Assessments of Academic Readiness proficiency. In July 2025, NWEA MAP updated its platform with its new research data, making it necessary to re-establish baselines to ensure accurate year-over-year comparisons and prevent misinterpretation of progress.

In addition, Goal 3 has exceeded long-term targets during the 2025-2026 school year. In order to ensure the district is striving for continuous improvement, new goal targets are proposed for approval.

Upon approval, the revised progress measure targets will be published in the Lone Star Governance (LSG) section of the HISD public website.

COST/FUNDING SOURCE(S): None

STAFFING IMPLICATIONS: None

THIS ITEM DOES NOT ESTABLISH, MODIFY, OR DELETE BOARD POLICY.

RECOMMENDED: That the School Board approves the revised goal and goal progress measure targets as provided, effective September 11, 2026.

As a result of major NWEA updates—including the 2025 Growth Norms, a new Linking Study, and Enhanced Item Selection Algorithm (EISA)—all proficiency-based Goal Progress Measures (GPMs) were temporarily shifted to growth metrics for the 2025–2026 school year. The administration proposes progress measures and targets for the 2026–2028 school years below that reflect a mixture of growth and proficiency metrics to ensure leading indicators of overall goal progress are monitored across the year.

Proposal 1: NWEA Measures of Academic Progress (MAP) GPMs

GPM	Prior GPM Language (2025–2026 School Year)	Proposal for 2026–2028
1.1	The percentage of grade 3 students meeting or exceeding expected growth on NWEA MAP in reading will reach 55 percent by May 2026.	The percentage of grade 3 students projected at Meets Grade Level on NWEA MAP in reading will increase from 52 percent in May 2026 to 58 percent in May 2028.
1.2	The percentage of grade 3 students attending a New Education System (NES) campus meeting or exceeding expected growth on NWEA MAP in reading will reach 55 percent by May 2026. Referral

Any District-enrolled student may be referred for the District's gifted and talented (GT) program by the following persons: teachers, school counselors, students (self-referral), parents of children in kindergarten-grade 12, and other interested persons.

**Student
Identification**

The District believes that application and identification procedures should be consistent, credible, and uniformly applied to all students. Instruments and procedures used to assess students for program services shall measure diverse abilities and intelligences and provide students with an opportunity to demonstrate their talents and strengths. The definition of a gifted and talented student is statutory as described in EHBB(LEGAL).

The District shall provide opportunities to complete the screening and identification process for referred students at least once per school year.

Written procedures include provisions regarding the appeals of District decisions on program placement, furlough, and transfer of students.

Written documentation shall be disseminated to all parents and shall include the following:

- Procedures on student identification for GT programs; and
- Additional provisions regarding furloughs, transfer students, and appeals of District decisions regarding program placement.

Assessments

The Board-approved program for GT shall establish criteria to identify GT students. The criteria shall be specific to the state definition of GT.

Data collected through both objective and subjective assessments shall be measured against the criteria approved by the Board to determine individual eligibility for the program. Instruments and procedures used to assess students for program services shall measure diverse abilities and intelligences and provide students with an opportunity to demonstrate their talents and strengths. Assessment tools may include, but are not limited to, the following: achievement tests, intelligence tests, creativity tests, behavioral checklists completed by teachers and parents, student/parent conferences, and available student work products.

**Matrix or
Threshold
System**

If the selection process relies on a matrix or threshold system, the use of a scoring value based on race, ethnicity, sex, socioeconomic status, or disability shall be prohibited.

Parental Consent

SPECIAL PROGRAMS
GIFTED AND TALENTED STUDENTS

EHBB
(LOCAL)

The District shall obtain written parental consent before any special testing or individual assessment is conducted as part of the screening and identification process. All student information collected during the screening and identification process shall be an educational record, subject to the protections set out in policies at FL(LEGAL) and (LOCAL).

Identification

~~A placement committee shall evaluate each referred student according to the established criteria and shall identify those students for whom placement in the GT program is the most appropriate educational setting. The committee shall be composed of at least three professional educators who have received training in the nature and needs of gifted students, as required by law.~~

~~The Board-approved program for GT shall establish criteria to identify GT students. The criteria shall be specific to the state definition of GT.~~

Definition

Campus Gifted
Education Plan

The term campus gifted education plan (C-GEP) means a GT service plan created by the principal that:

- Describes the services that are provided to the GT students at the campus;
- Shares the Texas Education Agency (TEA) service code for GT services at the campus;
- Gives a description of how the campus provides opportunities for the GT students to work on their GT products; and
- Describes how the campus is informing stakeholders of the GT services at the campus.

GT Committee

Responsibilities

A campus shall have a GT committee for the purpose of implementing the District's GT programs in accordance with state rules and Board policy. The responsibilities of the campus GT committee include:

- Determination of eligibility for GT services based on District-established criteria; and
- Determination of appeals, furloughs, or exits of GT students.

Appeals of District decisions regarding program placement shall be in accordance with FNG(LOCAL).

Committee
Members

A campus shall ensure that each GT committee shall be composed of at least three local-campus certified educators who have received training in the nature and needs [and identification](#) of gifted students, as required by law.

SPECIAL PROGRAMS
GIFTED AND TALENTED STUDENTS

EHBB
(LOCAL)

Committee Meetings	A campus shall initiate and conduct GT committee meetings for the purposes of reviewing appeals and making decisions, deciding whether a request for a furlough is appropriate, and determining if an exit for a GT student is needed.
Notification	Parents and students shall be notified in writing of selection or rejection for the gifted program. Participation in any program or services provided for gifted students is voluntary.
Reassessments	If the District reassesses students in the GT program, the reassessment shall be based on a student's performance in response to services and shall occur no more than once in elementary grades, once in middle-school grades, and once in high-school grades. The District shall not perform routine reassessments unless requested by a parent or guardian.
Transfer Students Interdistrict	When a student identified as gifted by a previous school district transfers into the District, the campus GT coordinator will notify and send documentation to the GT Department. The GT Department shall review the student's records, and recommend assessment procedures when necessary, to determine if placement in the District's program for GT students is appropriate. The GT Department shall submit its decision in writing to the campus GT coordinator to notify the parent within 30 days of receiving the GT transfer records. [See FDD(LEGAL) for information regarding transfer students and the Interstate Compact on Educational Opportunities for Military Children.]
Intradistrict	Intradistrict transfer students who have been identified as GT according to established District criteria shall continue in the program on the campus to which they transfer.
Furloughs	In accordance with the Board-approved program, a furlough shall be granted for specified reasons and for a specified period of time up to one year. At the end of a furlough, the student may reenter the GT program or be exited from the program. The following guidelines regarding furloughs shall apply: Furloughs are considered on a case-by-case basis and may include, but are not limited to, the following: custody issues, divorce, parent/guardian sabbatical leave, foreign exchange programs, medical problems, and the like. Students struggling with the work load is not a reason for a furlough, and campuses should use intervention resources to support students.

SPECIAL PROGRAMS
GIFTED AND TALENTED STUDENTS

EHBB
(LOCAL)

- A request with a specific timeline for a furlough must be submitted in writing to the campus GT coordinator. The campus will follow the procedures outlined by the GT Department.
- If a furlough is granted by the campus GT committee, space shall be reserved for the student with a one-school-year maximum.

**Exiting of Students
from Program
Services**

The District shall monitor student performance in response to GT program services. If at any time the campus placement committee or a parent determines the program is not meeting the student's educational needs, the committee shall meet with the parent and student before finalizing an exit decision. The campus will follow the procedures outlined by the GT Department.

Appeals

A parent, student, or educator may appeal any final decision of the placement committee regarding services in the GT program. Level One appeals shall be made to the testing campus placement committee. Level Two appeals shall be made to the district GT Department, if needed. Level Two decisions are final.

**Magnet/Vanguard
Transfers**

See current provisions on transfers to Vanguard programs in policy FDB(LOCAL).

Program Design

The District believes that GT programs are important and necessary in order to meet the special educational needs of GT students. A flexible system of viable program options that provides a learning continuum and reinforces the strengths, needs, and interests of GT students shall be established to:

- Provide an array of learning opportunities commensurate with the abilities of GT students and emphasize content in the core academic areas, as well as the areas of creativity, the arts, and leadership;
- Provide services during the school day as well as the entire school year; and
- Provide program options enabling GT students to work together as a group, work with other students, and work independently during the school day.

**Curriculum and
Instruction**

Every student deserves a stimulating curriculum and the opportunity to excel; therefore, curriculum and instruction for GT students shall be modified in the depth, complexity, and pacing from the general school program and shall provide:

- An array of appropriately challenging learning experiences for GT students in kindergarten-grade 12 that emphasize content from the four core academic areas; and

SPECIAL PROGRAMS
GIFTED AND TALENTED STUDENTS

EHBB
(LOCAL)

- A continuum of learning experiences that lead to the development of advanced-level products and/or performances.

Professional Learning

All personnel involved in the planning, developing, and delivering of services to GT students shall meet the statutorily mandated staff-development requirements.

District teachers who provide instruction and services for GT students must receive annually six hours of professional development in gifted education, as required by law. [See EHBB(LEGAL)]

Family-Community Involvement

The District shall ensure that information about the District's GT program is available to parents and community members. The District shall schedule a GT program awareness session for parents that provides an overview of the identification procedures and services for the program prior to beginning the screening and identification process.

The District shall continue to encourage community and family participation in services designed for GT students through:

- Written policies on student identification and curriculum that are disseminated to parents;
- Programs that are evaluated annually with the data used to modify and update District plans; and
- Access to exemplar curriculum, as well as real-time access.

Program Evaluation

The District shall annually evaluate the effectiveness of its GT program, and the results of the evaluation shall be used to modify and update the District and campus action plans. The District shall include parents in the evaluation process and shall share the information with Board members, administrators, teachers, school counselors, students in the GT program, and the community.

Use of Funds

The Superintendent shall develop administrative procedures to ensure that 100 percent of the state funds allocated for the GT program are spent providing and enhancing the District's program and that a method accounting for expenditures related to the GT program is established and aligns with the TEA's financial compliance guidance.

Approval To Utilize State And Industry Certifying Agencies For Students Enrolled In Career And Technical Education Programming For The 2026-2027, 2027-2028, 2028-2029, And 2029-2030 School Years

This agenda item seeks approval from the Houston Independent School District (HISD) School Board for students enrolled in career and technical education (CTE) programming to utilize state and industry certifying agencies to earn industry- and state-recognized certifications and licensures. Students enrolled in CTE programs in HISD are eligible to sit for nationally and internationally recognized end-of-program certification and licensures upon completion of required course sequence. Students who earn a nationally or internationally recognized end-of-program certification will also receive a Performance Acknowledgement upon graduation, with the designation noted on their high school transcript.

The Texas Education Agency (TEA) encourages districts to provide students with opportunities to earn certifications and licensures that add value to postsecondary education or workforce readiness. HISD's CTE Department offers programs of study that prepare students to earn nationally and internationally recognized end-of-program certification and licensures aligned to high-growth, high-wage careers. The licensures and certifying agencies or industries that support approved CTE programs are included.

Partnership Scope of Work

Adopting the list of certifying agencies allows the CTE Department to continue fully funding industry-based certification exams for students across the district. Students engaged in CTE coursework are prepared and eligible to sit for industry-based certifications aligned to their program of study. The TEA has recently released the updated list of industry-based certifications to be used for public school accountability beginning in the 2025-2026 school year, which will apply to school accountability ratings issued in 2026.

College, Career, and Military Readiness (CCMR) outcomes are reported based on annual graduates and are reflected in the subsequent year's accountability ratings; therefore, indicators earned during the 2026-2027 school year and beyond will be included in the following accountability cycle.

Approval Of New Campus Library Book Orders And Donations

In accordance with Texas Senate Bill (S.B.) 13 and Board Policy EFB(LOCAL), all new library materials-whether purchased or donated-must be publicly listed for a minimum of 30 days and formally approved by the School Board before being added to any campus library collection. The Houston Independent School District (HISD) School Board is accordingly asked to approve the addition of new book titles, purchased or donated, to any district libraries. These titles have completed the district required review and vetting process in full compliance with S.B. 13, ensuring that all materials meet state standards and align with district policies for age-appropriate and educational relevance.

S.B. 13 requires that:

- All proposed library materials that are new to district circulation must be posted for public review for at least 30 days.
- The School Board must vote to approve or reject each item.
- This applies to both physical and digital materials, including classroom libraries if applicable.
- Challenged materials must go through a committee for investigation. A committee's decision is posted publicly and submitted to the board for final decision.

The HISD book acquisition process is as follows:

- Campus Vetting - New titles are evaluated for grade-level and content appropriateness.
- Campus Submission - Librarians submit book orders and donation lists through the official HISD *Book Order/Donation Form*.
- Public Review - New titles to be posted for a 30-day public posting period, available through the HISD website.
- Final Approval - After the comment window, vetted titles are presented to the board for final approval before purchasing.

A copy of the list of proposed library materials is attached.

COST/FUNDING SOURCE(S):

Campus purchases are funded through campus budgets or donations.

STAFFING IMPLICATIONS:

None

THIS ITEM DOES NOT ESTABLISH, MODIFY, OR DELETE BOARD POLICY.

RECOMMENDED: That the School Board approves the proposed list of library materials submitted by district librarians and reviewed by Library Services, effective September 11, 2026.

Approval Of Vendor Awards For Purchases Which Cost \$1,000,000 Or More

The purpose of this item is to authorize vendor awards for purchases which cost \$1,000,000 or more. Pursuant to School Board policy, contracts for purchases which cost \$1,000,000 or more are submitted to the Houston Independent School District (HISD) School Board for approval before purchase orders and/or agreement letters are issued. The Purchasing Services Department, authorized by board policy, enters into purchase agreements for bid projects less than \$1,000,000, subject to ratification by the School Board.

When determining the successful bidder, consideration is given to the quality of the articles supplied, conformity with developed specifications, suitability to the requirements of the educational system, and delivery terms. All advertised bids comply with historically underutilized business program procedures. All contracts are negotiated and executed with the supplier(s) providing the best overall value for the district.

The attachment reflects the names of successful bidders and a description of the items to be purchased.

COST/FUNDING SOURCE(S): None

STAFFING IMPLICATIONS: None

THIS ITEM DOES NOT ESTABLISH, MODIFY, OR DELETE BOARD POLICY.

RECOMMENDED: That the School Board approves vendor awards for purchases which cost \$1,000,000 or more, effective September 11, 2026.

Approval Of Proposed Revisions To Board Policy CW(LOCAL), *Naming Facilities*-First Reading

The purpose of this agenda item is to request that the Houston Independent School District (HISD) School Board approves revisions to Board Policy CW(LOCAL), *Naming Facilities*.

The proposed revisions update the criteria for names, the section about accepting funds for naming rights, and the process for selecting names.

A copy of CW(LOCAL) showing the proposed changes is attached.

COST/FUNDING SOURCE(S): None

STAFFING IMPLICATIONS: None

THIS ITEM DOES MODIFY BOARD POLICY.

RECOMMENDED: That the School Board accepts the proposed revisions to Board Policy CW (LOCAL), *Naming Facilities*, on first reading, effective September 11, 2026.

NAMING FACILITIES

CW
(LOCAL)

Board Approval	Board approval is required for the naming or renaming of District facilities and specific areas of facilities, <u>i.e., a library or conference room</u> .
Definitions	For the purpose of this policy, the term “District facility” shall apply to new and existing schools, including schools scheduled for consolidation through redirection or closure, sport complexes, athletic facilities, and other buildings and facilities. A “specific area” or “portion” of a facility shall refer to a wing, annex, library, media center, auditorium, performing arts center, gymnasium, athletic field, or common area. A specific area or portion of a school shall not apply to classrooms, school offices, and cafeterias.
Suggesting Names	Residents of the District, District employees, and District Board members may submit names to be added to a list of suggested names for possible selection. Such lists shall be a cumulative resource to be considered when naming or renaming a new or existing facility, shall be maintained in the Office of Public Affairs and Communications, and shall be provided to the co-chairs of each naming committee.
Criteria for Names Facilities	Schools or other facilities may be named for persons, communities (e.g., neighborhoods), locations (e.g., landmarks), or functions (e.g., District programs). Names of persons to be considered shall be of deceased individuals who have made a significant contribution to the local community, the state, or the nation. In all cases, the name of a school, specific area of a school, or other District facility must respect cultural differences and values.
Specific Areas	Specific areas of schools and facilities may be named for persons, communities, locations, or functions. If the area is named after a person, the following criteria shall apply: • The individual may be living or deceased; • The individual must have made a significant contribution to the local community, state, or nation; and • The individual must be widely respected by the community and the general public.
Exceptions	In naming any facility for the first time, any waiver of this policy shall require a two-thirds vote of the membership of the Board. In renaming a facility after a living person, any waiver of this policy shall require a unanimous vote of the membership of the Board.

NAMING FACILITIES

CW
(LOCAL)

**Acceptance of Funds
for Naming Rights of
a Facility or a
Specific Portion of a
Facility**

~~The Superintendent shall develop regulations for the acceptance of funds to support the construction, renovation, or acquisition of District facilities and specific areas or portions of facilities.~~

The Board may agree to name a District facility for an individual, family, group, organization, or business entity when a major capital donation has been made to the District for the facility by or on behalf of the nominated individual, family, group, organization, or business entity. The determination of what constitutes a major capital donation shall be made at the discretion of the Board in accordance with District regulations.

The Board may agree to name a specific area or portion of a District facility for an individual, family, group, organization, or business entity when a significant capital contribution has been made to the District for the specific area or portion of a District facility by or on behalf of the nominated individual, family, group, organization, or business entity. The determination of what constitutes a significant capital contribution shall be made at the discretion of the Board in accordance with District regulations.

The acceptance of funds and the approval of the name shall require a two-thirds majority vote of the membership of the Board. Funds accepted for the naming of a school or specific area of a school shall be reserved for capital expenditures exclusively for that school.

**Process for
Selecting Name of
School**

The ~~process for selecting~~ name of a school may be selected or changed through one of the following processes ~~is as follows:~~

1. Board vote. The Board may vote to name or rename a school when the Board determines that doing so is, ~~through a resolution that deems the renaming to be~~ in the best interests of the District, ~~may initiate the process for changing the name. In addition, the Superintendent may determine that naming or renaming is needed and initiate the process without a Board resolution.~~
2. Naming committee. The Superintendent or Board may determine that naming or renaming is needed and initiate the naming committee process. For selecting or changing the name of a school through the naming committee process, the Superintendent or designee shall appoint a school naming committee. The school naming committee appointed to consider the renaming of a school shall largely be composed of individuals currently connected to the school in their representative capacities, and the local civic leader shall be a person actively involved in serving that school's geographic area and school

community. The committee may include the following individuals:

- A designee from the Office of the Chief of Schools and a designee from the Office of Public Affairs and Communications as co-chairs;
- A current or former principal of the school, if any;
- A current or former student from the school;
- A current or former teacher from the school;
- A local civic leader;
- An alumni representative from the school; and
- A parent of a current or former student from the school.

~~3.a.~~ The committee co-chairs shall report the consensus of the committee to the Superintendent.

~~4.b.~~ Prior to the preparation of an agenda item for Board consideration, the Superintendent may discuss the recommendation with the Trustee of the area of the school to be named.

~~5.c.~~ The Superintendent shall ~~present~~ consider the recommendation and, if appropriate, submit it to the Board for approval.

d. The Board may consider and vote on the recommendation of the Superintendent.

The committee co-chairs may also solicit input from other constituents affected by the naming of the school.

**Process for Selecting
Name of Specific
Areas and Facilities
Other Than Schools**

For selecting the name of specific areas of schools and facilities, sports complexes, athletic facilities, and any other facilities that are not schools, the Superintendent or designee ~~shall~~ may appoint a committee of appropriate individuals and shall present the committee's recommendation to the Board for approval. No athletic facilities in the District shall be given more than two names.

School Symbols

All mascots, nicknames, and descriptors — including symbols, banners, flags, pennants, or similar identifiers — used by a school's sports teams, extracurricular clubs, curricular clubs, or organizations shall respect cultural differences and values. The Board prohibits the use of any race or ethnic group as a mascot or nickname. [See DIA(LOCAL)]

THIS ITEM DOES MODIFY BOARD POLICY.

RECOMMENDED: That the School Board accepts the proposed revisions to Board Policy FFF (LOCAL), *Student Welfare: Student Safety*, on first reading, effective September 11, 2026.

Note: See policies DHB and DHC for information on other required reports regarding alleged misconduct against a student.

The District shall notify a parent of a student with whom a District employee (e.g., educator, certified or uncertified; administrator, certified or uncertified; nurse; counselor; diagnostician; campus-based and central office staff; DYADs), vendor and/or ~~a~~ any person acting as a service provider for the District is alleged to have engaged in misconduct, informing the parent:

1. As soon as feasible that the alleged misconduct may have occurred;
2. Whether the individual was terminated following an investigation of the alleged misconduct or resigned before completion of the investigation; and
3. Whether a report was submitted to the Texas Education Agency or State Board for Educator Certification (SBEC) concerning the alleged misconduct.

For purposes of this policy, misconduct is defined as an ~~individual's~~ employee, vendor, or service provider's alleged:

1. ~~a~~ Abuse or commission of an otherwise unlawful act with a student or minor;
2. ~~i~~ involvement in or soliciting a romantic relationship, or soliciting or engaging in sexual contact, with a student;
3. Engagement in inappropriate communications with a student or minor as defined by the SBEC [see DHA(LEGAL)]; or
4. Failure to maintain appropriate boundaries with a student or minor as defined by the SBEC. [See DHA(LEGAL)]

Notice of Suspected Criminal Offense

Except as provided by state law regarding child abuse investigations, the District shall notify a parent not later than one business day after the date an employee first suspects that a criminal offense has been committed against the parent's child.

[See also FFG for reporting requirements related to child abuse and FFH for parental notification requirements regarding alleged Title IX violations and other prohibited conduct as defined by that policy.]
